EVENT

New York FED-ECB Workshop on Nonbank Financial Institutions

November 13, 2026

A conference jointly sponsored by the Federal Reserve Bank of New York and the European Central Bank.

The goal of the conference is to stimulate discussion and advance our collective understanding of nonbank financial institutions (NBFIs) and their activities. The conference will cover a broad set of topics, including vulnerabilities in the NBFI sector, prudential regulation of NBFIs, private credit, linkages between bank and nonbank financial institutions, and the role of NBFIs in the transmission of monetary policy. This will be an in-person event held at the Federal Reserve Bank of New York.
